Waste Reduction Conference

26 - 28 September 2007 Calgary Alberta, Canada

[Sardinia 2007 - Eleventh International Waste Management and Landfill Symposium](#)

The Biennial International Symposia in Sardinia were established in 1987 in order to render ideas and experiences in the rapidly developing field of waste management and landfilling readily available to professional communities worldwide. Since then these Symposia have rapidly become the International Reference Forum where planners, operators, public officials and scientists present their relevant experiences and propose and discuss new concepts and technologies of landfilling and waste management. The 2007 edition promises to repeat the success obtained in previous editions. A stand at Sardinia 2007 is a unique opportunity for companies to reach major international operators in the field of waste management and sanitary landfilling.
