

## Annual Sponsorship

**Garwer Wastexchange** offers global exposure that no other environmental industry venue can match. Our annual sponsorships get you exposure on virtually every page of the Garwer Wastexchange web site and on every edition of our biweekly newsletter. 12 months is too long for you? We are also offering 3 and 6 month sponsorships at very low cost. [Contact us](#) for more information

## Media Kit 2008 for Events

Reach one the the world's largest audience of waste recycling industry professionals

We can provide your Event (Trade fair, Conference/Seminar, Workshop etc...) with a great exposure troughout a qualified audience of waste recycling professionals in the industry, government and consulting. Find here our [2008 media Kit for Exhibitions](#): should you require any further information, don't hesitate to contact us at [info\(at\)garwer.com](mailto:info(at)garwer.com)

## Featured Events

### [CEP Clean Energy Power®](#)

The CEP Clean Energy Power® celebrates its premiere from the 7th to the 9th of March 2008 in the New Stuttgart Trade Fair Centre. The trade fair and conference focus on innovation among the renewable energy sources as well as energy efficient building and renovation. Over 300 exhibitors, 14,000 visitors and 1,200 conference participants from the whole world are expected to convene on the 10,000 m<sup>2</sup> exhibition space.

**07-09 March 2008 , New Stuttgart Trade Fair Centre, Germany**

---

#### [4th Canadian Waste Resource Symposium](#)

The Atlantic Chapter of the Solid Waste Association of North America (SWANA) and the Nova Scotia Association of Waste Reduction Coordinators (NSAWRC) are jointly coordinating a comprehensive waste management conference. The overall conference theme of Navigating Towards 60% Diversion is to gather the waste reduction and landfill management specialists from across the globe to explore and share their best management practices.

13 - 16 April 2008 Halifax, Canada

---

#### [Innovation for Sustainable Production 2008](#)

This international event aims at assembling in a pleasant and stimulating environment different disciplines and technologies on their proper themes, while offering the opportunity to join up and exchange knowledge and experience from diverse fields of innovation and technology to enhance innovative methods for a sustainable production.

22 - 25 April 2008 Bruges, Belgium

---

#### [The 9th China Int'l Environmental Protection Exhibition \(CIEPEC+EPTEE 2008\)](#)

CIEPEC comes to Shanghai , joining hands with EPTEE to create the top ranking environmental protection event in Asia. The 9th China Int'l Environmental Protection Exhibition (CIEPEC+EPTEE 2008) will be held on Apr. 27th-29th, 2008 at Intex Shanghai and Shanghai Mart, providing 30,000 sq. m . of exhibition floor space, and attracting 750 exhibitors (approximately 1,200 booths). From 2008, CIEPEC+EPTEE will be held biennially in Shanghai . Through this win-win cooperation, CIEPEC+EPTEE will become the top-ranking environmental protection exhibition in Asia , with the most exhibitors, the highest specialization and the most advanced technologies.

27 - 29 April 2008 Shanghai, China, People's Rep.

---

### [IFAT 2008 - 15th International Trade Fair for Water - Sewage - Refuse](#)

In 2008 IFAT - the international trade fair for the environmental sector - will revolve around environmental solutions. It will be oriented to the future of environmental technology, focusing on everything from high tech to low tech including comprehensive solution approaches.

05 - 09 May 2008 Munich, Germany

---

### [WasteExpo 2008](#)

WasteExpo is North America's largest solid waste and recycling tradeshow serving both the private and public sectors.

05 - 08 May 2008 Chicago, Illinois, United States

---

### [Waste - The Social Context '08: Urban Issues and Solutions](#)

Sustainable waste management is critical to the health and well-being of all people.

While many conferences focus on the technical aspects of waste management, Waste—The Social Context '08 is unique in addressing the environmental, social and economic implications. Topics will include public perceptions and behaviour, social forces influencing waste streams, environmental policy, waste management in urban settings, stakeholder participation, developing countries and countries in transition, international trade in waste products, and waste economics, among others. The keynote speaker will be Heather Rogers, acclaimed journalist, filmmaker, and author of "Gone Tomorrow: The Hidden Life of Garbage." Approximately 400 international decision-makers, researchers, practitioners and other stakeholders are expected to attend the conference.

11 - 15 May 2008 Alberta, Canada

---

### [China International Recycling Conference and Exhibition](#)

Two new divisions, which are of Scrap Paper and of End of Life Vehicles will be added to 2008 China International Recycling Conference, compared with the Recycling Policy, System Construction and Environment-Friendly Division, Market, Trade and Financing Division, Ferrous and Non-ferrous Division and E-scrap Division of 2007 China International Recycling Conference

18 - 19 May 2008 Guangzhou, China, People's Rep.

---

### [PLASTPOL](#)

12th International Fair of Technologies, Equipment and Machines for Plastics Processing, Packaging, Industrial design, Plastics, Rubber processing, Recycling

27 - 30 May 2008 Kielce, Poland

---

### [World Bioenergy 2008](#)

This major global bioenergy get-together is based on the unique "Taking you from Know-

How to Show-How" concept, combining conference sessions, field excursions and tradeshow into one comprehensive event.

27 - 29 May 2008 Jönköping, Sweden
